Dear Students:

It has been a genuine pleasure for me to work with each of you during this year when so many things have happened on the campus. We have seen the results of your work in many activities and many events. Members of each class have made a definite contribution to all of our objectives and accomplishments. You have shared in our successes. Each of you has been rewarded in proportion to your efforts. I trust that each of the years ahead of you will be as challenging and as satisfying as this one has been. May you not soon forget the experiences that we have had together during the year 1964-65. I know that you will find that these experiences have helped to prepare you to face the problems and challenges of life. May you use these experiences effectively as you strive to become a contributing member of society. May old VHS always occupy a place in your fondest memories.

I extend congratulations to the Seniors and wish for them the best things in life.

Junior High Glee Club

Members of the student council are Jimmy Shores, president, Diane Pipkin, Rita Riley, Melanie Russ, Mary Cook, Larry Land, Mary Owens, Cheryl Weaver, David Everitt, Linda Cook, Barbara Whitaker, Patsy Dalton, and Dawn McDonald. Sponsors are Mr. Lee P. William and Mr. James Russ.

Student Council

Officers of the student council are Jimmy Shores, president, Larry Land, vice president, and Melanie Russ, secretary.

One of the year's outstanding assemblies was the one in which Dr. Ralph Morley, president of Gulf Coast Junior College, addressed the senior high students.

Mary Cook prepares to give the devotional in a senior high assembly, while Jimmy Shores and Larry Land look on.

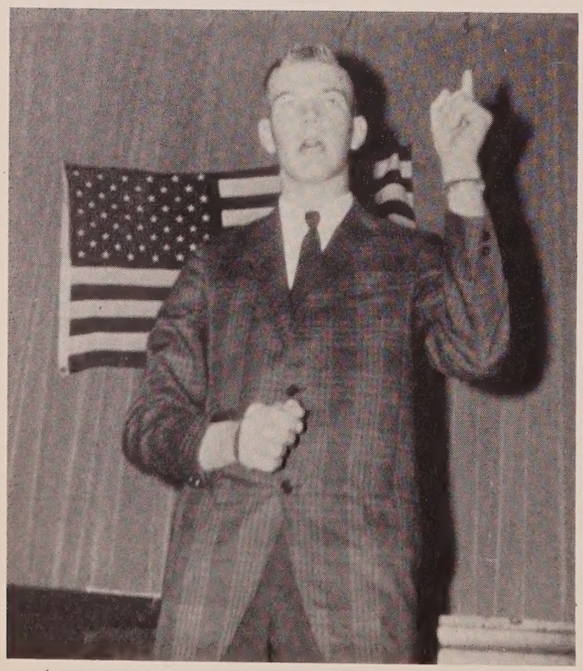
The student council is composed of students elected from and by the entire student body to serve as an example of democracy. Each homeroom elects a student to represent them in all matters that concern the entire school. The student council sponsors homecoming and all assemblies. The council also selected the senior class ring design and the school emblem (above).

Mr. Harmon R. Pierce, general supervisor, speaking to an assembly of junior high students.

P-T-A

At the first meeting, Mrs. Waldeen Holland, Reverend James Morris, president, and Mrs. Elaine Byler, register new members as they enter.

The Parent-Teacher Association of Vernon is an organization through which parents and teachers work together to promote the welfare of the students. The keynote toward achievement is cooperation, which is the foundation for the P.T.A. The P.T.A. sponsors both the Boy and Girl Scouts. This organization also made a financial contribution to the Scouts and toward playground equipment for the elementary school. Another of the P.T.A. projects was to sponsor Midway (booths) at the Halloween Carnival, the proceeds from which go to help sponsor other P.T.A. projects. Officers are Reverend James Morris, president; Mrs. H.E. Austin, vice president; Mrs. Burl Waller, secretary; and Mr. Don Kendricks, treasurer.



At the November meeting Larry Land gives reading of James Weldon Johnson's "The Creation."

At the same meeting Jeanette Pipkin reads Alfred Noyes' "The Highwayman."
